Much loved Kiwi pop star Shane returns with "Full Circle", his much anticipated 2011 CD album with 14 brilliant new recordings including 4 reworked "classics".

NZ TV audiences will recall the phenomenal late-1960's chart-topping success of Shane's "Saint Paul" and his televised performance on the 1969 Loxene Gold Disc Awards show. During the 1970's more hits and further success followed and Shane was never far from the international spotlight. Over subsequent decades Shane has proven to be one of NZ's most enduring and exciting live entertainers.

"Full Circle" marks the culmination of Shane's remarkable career. This began in March 1965, when Shane was invited to audition for Aussie band "The Pleazers", recording 3 songs at Eldred Stebbing's famed Saratoga Ave studio. One of these songs "I Could Easily Fall in Love with You" is the closing track on "Full Circle".

In 2010 Shane returned to the Stebbing Studios to record his new album. From the autobiographical title track "Full Circle" to the moving tribute to the Anzac's spirit in "Anthem". The album also includes the classic "California Dreaming", where Shane reaches new heights with a full choral backing as he is joined by the Correlation Choir.

Guaranteed to satisfy music fans everywhere, "Full Circle" is a celebration of all things musical. This lavishly-produced album is a stunning collection of brilliant songs.

Experience Shane's best work ever - "Full Circle" is an emotionally uplifting musical journey encompassing the past, present and future!
